This bird was Eq 1st @ 180 in the SFBATC OLR. The father was given to us as an egg by Carey Tilson. His birds need no introduction. He has dominated in OLR all over the country. If you don't have his birds in your loft then you're flying for 2nd place. Here is a proven racer from the best OLR birds out there today.

AU 09 NFL 762
