Pre-Olympic 6347 is very special: Intelligence, Homing Ability, Athletic Type, and Pedigree. 6347 distinguished himself in my own little "Boot Camp" for latehatches - pushed to home from several miles before routing, plus home in both gently and hard rain - and with no special medications. He was among the best - winning a colored bandette. His '3/4 brothers' won top Ch OB status through 8 Boston Concourse races this year. My earliest notes say to call him, "Curb Appeal" - SO handsome!

Alias "2220"

Strain: Vandenabeele

Color: BB

After the GNEO was cancelled in Ohio due to the State Vet's concerns with avian flu, my partner trained hard. 2220 was on the younger team which had many, many tosses out to 70 miles and 3-4 times there surviving hawks and smashes - a good indicator of the quality of 2220 as a breeder. Her pedigree is top flight with Lady Legend and Lord of the Rings!
