Flown incredibly well for me
in '14 Detroit "Special" races
(350) The "Classic" equal 1st!

Coming back 2 wks later
to take 12th (on the drop w/
10th + 11th) - on the "Great
Lakes" (400 miles). And he

performed high in the pre-races
for me. He's a "special" pigeon -
could very well end up as my
best breeding cock with his
father (155) getting up there in age.

DAM

An Lynch 14864 SB from
Dr. Bob Lynch's "Classic"
entry with me out right
winning 1st place (350 miles)
winning \$10,000.

Bob's Vandenbergheers are
really performing for him.
(see attached from him).

I have several good
breeding cocks - but I
feel 155 would rank
as my best.
